COMMITTEE ON THE RIGHTS OF THE CHILD
Fifty-third session
11 - 29 January 2010

**IMPLEMENTATION OF THE CONVENTION ON
THE RIGHTS OF THE CHILD**

**List of issues to be taken up in connection with the consideration of the third and fourth
periodic report of Mongolia (CRC/C/MNG/3-4)**

PART I

**Under this section the State Party is requested to submit in written form additional and
updated information, if possible, before 19 November 2009.**

1. With regard to the plans to amend the status of the National Authority for Children and transform it from an executive agency into a steering agency, please clarify the institution responsible for coordinating the implementation of the rights of the child at the national and local level.
2. Regarding the Law on Protection of Children's Rights, according to which a child may lodge complaints or submit petitions, either directly or through his/her guardian or representative, please indicate to which institutions cases have been delivered, the number of cases brought before them and the outcome regarding the complaints filed.
3. Please inform the Committee on the implementation of the National Program against Domestic Violence approved in 2007 and clarify how coordination between the ministry responsible for its implementation and other authorities dealing with domestic violence and its victims is assured. Please indicate the measures taken and relevant actions in order to raise awareness of violence against children in the family and advocate alternative practices to discipline without corporal punishment, as well as the resources allocated to the program.

4. Please briefly provide an update on the amendment to the Family Code and indicate the measures that will be included under it, such as provisions for single-parent families, child maintenance, adoption, and the ban on corporal punishment in the home.
5. Please briefly provide information on how the State party is strengthening the mechanisms for monitoring performance and service delivery in child care centres. Indicate progress since the 2007 inspection and study undertaken by the Ministry of Social Welfare and Labour of the aforementioned centres.
6. Regarding the national programme “Support Persons with Disabilities” and sub-programme “Support participation of children with disabilities” divided in two stages between 2006 and 2012, please provide further information on the results of their implementation so far. Indicate how the State party ensures that children with disabilities have access to support and that their family situation is also considered in this regard.
7. Please inform the Committee on policies for adolescent girls and boys with regard to leisure and cultural activities, including the allocation of public funds. Indicate the relevant facilities available in urban, suburban and rural areas, and whether the cultural backgrounds and mother tongues of children are also taken into consideration.
8. Please indicate the specific measures taken to address, in a sustainable manner, education and: a) the high drop out rates, especially of boys, b) gender, rural/urban, and income disparities, and c) the diminishing quality of education.
9. Regarding the studies conducted on the situation of child labour in Mongolia, please inform the Committee whether any follow-up measures have been taken to address the extent and the root causes of child labour, in particular regarding hazardous forms of child labour.
10. Please indicate the policies and programmes being implemented to address the situation of street children, including assessment of their situation and root causes. Indicate any laws or national policies in place to respect the rights of street children.
11. With regard to the administration of juvenile justice, provide information on the existing socio-educative measures or alternatives to detention, recovery and social integration. Indicate the content of training curricula for judges, prosecutors and law enforcement officials, including training on the provisions of the Convention, as well as on implementation.
12. Kindly indicate which child-related issues the State party regards as being of a high priority and warranting its utmost attention with regard to the Convention’s implementation.

PART II

Under this section, the State Party is to briefly (three pages maximum) update the information provided in its report with regard to:

- New bills or enacted legislation;
- New institutions;

- Newly implemented policies;
- Newly implemented programmes and projects and their scope.

PART III
