Dear Sir or Madam:

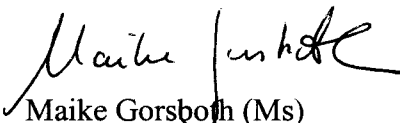

It is my pleasure to send you herewith a collection of selected resources from members of the Ecumenical Water Network (EWN) as submission to **the study on human rights obligations related to equitable access to safe drinking water and sanitation.**

Most of the materials have been compiled electronically on the enclosed CD-ROM. In order to help you gain an overview, a list of the submitted resources is also enclosed.

We are glad that the OHCHR has been entrusted with this crucial and challenging task and hope that we can be of further assistance to you in the course of the study. We would therefore appreciate any information with regard to how we and civil society in general can continue to contribute to your efforts.

Wishing you every success in this endeavour,

Yours sincerely,

 Maïke Gorsboth (Ms)
 EWN Coordinator
